

Get your Growlers ready, craft beer has been tapped at The Streets

Growler, USA micro brew pub is now open at The Streets of Indian Lake in Hendersonville! Craft beer aficionados and novices alike can now enjoy a constantly changing menu of local and regionally brewed beer at the center, or stop in and fill up a Growler to enjoy one of your favorites at home!

U.S. Properties Group is excited to have the region's very first Growler, USA location at The Streets of Indian Lake. Craft beer has taken the country by storm, and Hendersonville residents now have a fantastic venue to taste and experience what the craze is all about. Using a state-of-the-art refrigeration and micro brewdelivery system, Growler will rotate up to 100 different beers at one time; focusing on local Nashville breweries, as well as, popular breweries from around the region. Growler won't just be serving up beer either! For those that want a bite to pair with their beer, the "pub" has a fantastic menu including Beer Bites, Salads, Soups, Craft Burgers, Handhelds and their Plates section. Beer Cheese Soup and Short Rib Queso are "Pub Favorites", but so are Chicken & Waffles and Skillet Mac with Beer Brats!

"This is a fantastic addition to our food & beverage options at The Streets" said Ben Layman, Leasing Associate. "Greg Walther (Franchise Owner) and his team have done a fantastic job transforming the space for the ultimate craft beer experience!"

"Growler is exactly the type of concept and operator we look for when adding a new tenant to our center" added Donn Davids, VP of Leasing and Development. "Consumers want to shop and eat and drink local, and that is what they offer. USPG is establishing The Streets as the go-to entertainment and hospitality destination in Hendersonville, and Growler fits in perfectly with our vision for the center."

Greg Walther announced "We are pleased to be in The Streets in the Hendersonville community. The location is a "go to" place to eat, enjoy all types of entertainment and shop locally. We proudly feature local and regionally brewed craft beers. Come by, see us and have a cold one!"
